Dear Partner,

The Conference of Minority Transportation Officials (COMTO) is a multi-ethnic, non-profit 501(c)(3) association encompassing every level of the transportation industry in a variety of fields and disciplines. Over the past 50 years, COMTO has been the 'Voice for Equity in Transportation' with over 37 chapters throughout the United States and internationally. We Move the Nation through our mission to support the advancement of minority professionals and businesses working in the transportation industry.

In 2022, the COMTO Philadelphia Chapter was awarded both the "Chapter of the Year" and "Best COMTO Community Engagement" awards. We will continue to explore new and engaging programs, relationships, and a creative space to energize and empower inclusive voices to be heard within the transportation industry and from our partners through these accomplishments.

As we plan for the 2023 calendar year, I ask that you consider supporting the COMTO Philadelphia Chapter. You have many choices of where to provide your financial support, and we would be honored and grateful to be among the recipients of such philanthropy. Your investment in COMTO Philadelphia will help provide our quality programming, professional development, and mentorship of future transportation leaders. COMTO Philadelphia is a 100 percent volunteer organization, in which all proceeds from our Partners are dedicated to cover events except for our Annual Scholarship Golf Outing fundraiser.

I invite you to look at the opportunities herein to support and strengthen our local COMTO Chapter, while creating value and positive exposure for your business. Your firm will be recognized as an integral partner of the Philadelphia Area Chapter in transforming minority participation within the transportation industry in our region.
